Check out our website, Jumonville.org for more photos and additional details about your favorite camp activities.
JUMONVILLE, a premier Christian camp and retreat center, is a unique and special place with much to offer. It is best known for its landmark, a huge, white, steel cross that stands 60’ high on the mountaintop. Hiking up to Dunbar’s Knob to see the cross and the breathtaking view is an inspiring highlight for almost everyone who visits.

SUMMER CAMP
An extensive program of Christian adventure, sports, arts and samplers is offered each summer, and retreat space is available year-round. Co-ed, resident camps are usually one week sessions, with some shorter options for younger campers, with plenty of outdoor recreation, campfires, and inspirational opportunities.

HISTORY
Jumonville Glen was the site of George Washington’s first battle, and a museum of artifacts has been preserved from the French and Indian War that followed. In addition, Pennsylvania operated a Soldiers Orphan School on the property after the Civil War. The beautiful campus, 19th century stone buildings, and flagstone walkways reflect the rich past of this mountaintop, and yet still offer exceptional lodging, comfort and modern conveniences.

INSPIRATION
At the end of an exciting day, there’s nothing like sitting by the campfire, looking up at the stars, and being touched by the awesome sight of The Cross of Christ shining into the night. It is a monument that has touched the hearts of people from around the world. Discover the treasures of rest, recreation, and renewal and experience the Jumonville difference this summer!

ADVENTURE
Our numerous adventure facilities include several Challenge/Ropes Courses, King Swing, and the indoor Adventure Center. All of these facilities serve our most popular programs for rock climbing, individual initiatives, and teambuilding with spiritual applications. Our Adventure Program is an outstanding tool for building teamwork, self-confidence and personal growth at many levels. Jumonville has been a leader in adventure programming and training for over 40 years.

FAITH
Jumonville was established in 1941 and every summer since then, lives are changed as the Gospel is shared in cabin devotions, on the sports fields, or in the dining hall. Spiritual applications are integrated into adventure activities for maximum insight, & the Wednesday night all-camp worship services are interactive & fun.

AMENITIES
Youth and children stay in beautiful cabins and lodges with a 4:1 camper to counselor ratio. Adults or Family Camps stay in semi private or group lodges with private baths. Guests enjoy delicious family style meals, sports and recreation, swimming, rafting, rock climbing, and caving, as well as on-site climbing walls, and Zip Line.
Why Camp?

BY LARRY BEATTY, JUMONVILLE PRESIDENT

I believe summer camp is one of the best sources of emotional growth, learning, fun and adventure available to a young person during the summer vacation months. Our summer camp programs offer a safe place to learn social, physical, and spiritual skills in a nurturing environment. These enriching experiences can provide your child with an anchor of support in a sea of choices and can lead to a lifetime of growth and spiritual discovery. One child summed it up very well when she said, “Camp is like a thousand recesses!”

TO BE PART OF A UNIQUE COMMUNITY

It is a special community where children and youth can be silly, have loads of fun, make new friends, and laugh often. It is a place where the deans and counselors are also able to get to know your child and their individual needs. At camp your child is immersed in a Christian “incubator” where they can ask questions, explore new ideas, and practice spiritual disciplines. Devotions and small group discussions are an integral part of this lively growth experience.

TO BE THEMSELVES

All are accepted for who they are, regardless of their background. Artificial barriers disappear as everyone joins together in small groups, enjoying the same activities together, and learning to accept each other’s differences. Your child can shine at camp in so many ways and do that in an encouraging environment!

TO INCREASE SELF-ESTEEM AND INDEPENDENCE

Trying new things, discovering more of God’s love, and being encouraged brings about self-confidence. Living in a nurturing and challenging environment and being away from parents gives kids a chance to learn respect for others, teamwork, kindness, and honesty in a new setting, AND they have fun while they learn!

I’ve been the Director/President of Jumonville for over 30 years, and before that, I was a school teacher for 10 years. I also led school camping programs and got to see what a powerful educational tool camp can be. How exciting to be a part of this training for eternity! After almost 75 years in the ministry of Christian camping, we have developed an amazing variety of programs from which to choose. I invite you to become part of the Jumonville family on this special mountaintop. Come and experience the difference at Jumonville!

Take a look, and you’ll find that camp’s not just for kids anymore. Join us in ‘2016!

HOMECOMING WEEKEND

Come back to the mountaintop!
Share laughs with friends and just relax for a while.

Celebration plans include adventure activities, games, crafts and worship, reunions, historical displays, concerts and much more!

Reunions
We are planning on lots of different reunion groups getting together during this homecoming weekend. For example: Adventure Campers, Drama Campers, One Way Campers, Sports Campers, former Summer Camp Staff, Deans & Counselors, Couples who met at Jumonville, and Couples who were married at Jumonville, etc...
Many of these groups will be organized by decades.

If you are interested in coordinating a reunion for your Jumonville camp or retreat group on August 6th during our 75th Anniversary celebration, please contact the Jumonville office by May 1st and ask for Mary Meeder.

She will need to know three things:
1) the name of your camp or retreat group
2) the contact name, address, email and cell phone number
3) Do you need to have a meeting room reserved?
We will be happy to work with you for this wonderful opportunity.

I had an awesome time. I will definitely be coming back. Summiting and paintballing and blobbing. I have learned that I can put my trust in God even when I’m terrified.

—a 15 year old female adventure camper

We love the camp, and have been going for several years. Our kids look forward to spending time on the mountain, seeing old friends, and learning more about God. Our favorite part is spending time with friends, and we loved the white water rafting. We were able to disconnect from “life” and refocus on ourselves as a family. Keep up the good work.

—a Mom from Family Adventure Camps

I am 80 years young and spent a week, four years, in my teens, there. I drew so close to God and He to me, at the bonfire on the flat, before the cabins were built. There in the dark, with only the light of the fire and seeing the sky and all the stars, you couldn’t help feeling the Presence of the Lord. Started me on my way to the relationship I have with my Father and brother, now.

—Norva Lewis

Loved it all! I cannot wait til next year. My favorite part was the activities - all of them; and Worship - loved the singing.

—9 year old boy

9.2

“On a scale of 1-10, how was your week of camp?”
The Value of Camp

At the conclusion of last year’s summer camp events we asked our campers to participate in a brief camper survey. Here are the results:

100% of our campers had an awesome time at camp.
98% of our campers felt like they learned more about God.
95% of our campers tried something new.
98% of them made a new friend.
97% of our campers feel good about themselves.
95% of our campers enjoyed the worship time.
98% of our campers were comfortable with their cabin group and counselors.

I took three grandchildren this year and we all had a great time. Next year I will have four, so I’d love the same Room in Washington Lodge - so spacious! I will see through all five grandkids til they are 9! The songs were my favorite part. It really helped me to put aside some family issues I dealt with before leaving. Food was great and we had wonderful leaders!

I went to Mini Adventure Camp this summer. It was my 4th time
to go to Jumonville, but the first time I went by myself. I had a great
time. I made new friends and got to see two girls I was at camp with
3 other years. I liked Wed. night worship, (I thought the praise band
was great), going to the cross, study time, swimming in the rain in
the freezing pool, singing in the dining hall, and playing games. I
missed not getting to make smores because it rained so much - like
every day! I really liked going 20 feet up in the air in the king swing.
I felt like a bird and I could fly. One of my other favorite things was
before going to sleep when we could talk and share with each other.
Thank you for helping me go to camp. I can’t wait until next year!

This is Phase One of the CIT training program. The weekend begins with registration at 7 PM on Friday evening and concludes on Sunday at 1 PM. This is very intense time focusing on learning counselor skills as well as accepting new challenges in your faith journey. As you learn more about yourself as well as your fellow CIT’s, you will learn how to apply these new skills to various age levels. This session is almost exclusively classroom work and theory. Belay certification may be a part of the curriculum.

Phase Two is by invitation only. After successful completion of the Phase One weekend, after you receive your invitation by the deans, you can register for Phase Two. At camp, you will have hands-on experience under the guidance of experienced counselors. CIT’s will stay with senior counselors in rooms with the campers of Adventure Crago and also go caving and flatwater rafting. You’ll gain additional experience in Bible study preparation and presentation, worship, games, evening activities, and other age level characteristics. CIT’s will gather for additional classroom work, providing time for questions and accountability as needed. This will allow you to serve as a junior counselor by volunteering during other weeks of the summer.

Once you have finished this process, you will be invited to serve as CIT for one additional week during the summer of 2016. This must be coordinated through Jim Thomas in the office.

Any CIT who chooses to attend this program must realize that they are considered a camper and as such must be accompanied by an adult who can sign them in and out. Access to a vehicle is not recommended.

**Bonus:** When you are accepted into the CIT program, you receive a $50 discount toward the cost of attending one other senior high event as a camper.

**Opportunities to Give Back This Summer!**

There are multiple ways to be able to give back this summer by helping to provide leadership in our summer camping program. There are opportunities to serve on the paid summer staff, or to serve as a volunteer counselor. You might even have an interest in serving in a future year as a volunteer dean. Contact the Jumonville office for complete details.
The purpose of Family Week is to provide a family vacation experience centered on Christian teachings and interaction with other families. It is designed to strengthen your relationships with your family and deepen your relationship with God.

OVERVIEW

Mountain beauty, good food, diverse recreational facilities and rich fellowship are all included in Family Week. More than all this, is the challenge to one’s heart and soul to grow in a program of study and worship together. When you come to Family Week, you have an opportunity to bond as a family, and grow in understanding God’s love for you, and your love for one another.

CAMP ACTIVITIES

Our program for the week is flexible and contains regular times for teaching and worship opportunities daily, beginning with the Morning Watch period and ending with evening cabin or room devotions. In addition to daily classes for all ages and Bible study, there are multiple sports competitions, swimming, ropes course activities, singing, square dancing, campfires, s’mores, crafts, nature walks, and even a rest period! You’ll need it after all the activities available each day. All are encouraged to participate and join in the fun. An Adirondack book club with great discussions is also being held. This year’s books will be Seeking Allah, Finding Jesus by Nabeel Qureshi & Lee Strobel and The Fault in our Stars by John Green.

Every year Family Week plans a Thursday evening carnival night. Come enjoy this great evening of multi-generational family fun, games, and optional banana splits and sundaes. There is also planned entertainment every night. The inspirational highlight of the week is the Friday night service at the Cross, and Saturday morning Communion in the woods at Green Cathedral. Be prepared to go home with memories of fun, faith and new friends that will last a lifetime.

WHAT IS HOPE CAMP?
HOPE (Helping Overcome Problems Everyday) Camp is a partnership Jumonville has formed with several organizations, individuals and churches. It brings high-risk children into a safe environment to be encouraged, unconditionally loved, and challenged to grow in their spiritual, social and personal lives. Lives are changed as the Gospel of Jesus Christ is shared in cabin devotions, on sports fields, at the pool, during adventure activities or in the dining hall. The Wednesday All-Camp Worship services held each week are interactive and fun. It brings more of the joy of the Spirit into the hearts of the children, and home to their churches, families and schools.

WHO CAN ATTEND HOPE CAMP?
Registration is subject to approval based on several factors:

- is in the Social Services with a manageable Axis 1 diagnosis
- lives in a seriously economically disadvantaged family situation
- is in a foster family situation
- has a parent in the prison system
- is a sibling/shares the same home address as camper with parent in prison system

Please call the Jumonville office (724) 439-4912 with questions or to obtain an application packet and ask for Jim.
NOT YOUR TYPICAL CAMP!

That is a common statement heard by our guests when they arrive on Jumonville campus for the first time. Often folks will say, “This looks more like a college campus!” The beautiful lawns, woodlands, and hiking trails give spaces to reflect in peaceful and natural surroundings. The historic stone buildings offer period character with modern conveniences. In addition to the French & Indian War history of the site, Jumonville was a PA Soldier’s Orphan School following the Civil War. The elegant Inn, beautiful Washington Lodge, and a dozen warm, cozy cabins are available in a variety of configurations. The sports fields, Disc golf courses, and multiple Ropes/Challenge Courses offer lots of excitement and adventure.
WHO CAN GO TO CAMP?
Camp is for everyone who wants to go! All United Methodist camping events are open to all persons without regard to race, religious affiliation or gender. Each event has a limited size because of space. We welcome campers from all churches or with no church affiliation. Our purpose is to teach, preach, and live the Gospel of Jesus Christ.

SPECIAL NEEDS
Many children and adults with special needs can be accommodated in the Jumonville summer camping program. Some weeks are specifically geared for campers with mental or physical limitations, and others with such conditions as ADHD can join in with others their age. However, each situation must be evaluated individually and must be discussed with Jim Thomas at (724) 439-4912 or email jim@jumonville.org. We have also made significant efforts to accommodate special dietary requests. Please contact the office for specific information.

AGES
All events are organized by ages. The age group listed refers to the age a camper will be at the time of the camp.

REFUND POLICY
If a registered camper will be unable to attend camp, you must notify the Jumonville office immediately. Refunds are given up to 2 weeks before the start of camp, subject to a $50 processing fee. If cancellation occurs within two weeks before the event, only the room and board portion of the fee will be refunded for illness or accident. In this case, Jumonville must be notified within a week of any accident or illness, followed by a written request for room and board refund with an accompanying doctor’s excuse. Under no circumstances will the program fees be refunded after two weeks.

REPORT ALL CANCELLATIONS TO THE OFFICE IMMEDIATELY.
NO REFUND WILL BE MADE FOR ANY REASON AFTER THE START OF CAMP!
A NOTE ABOUT CAMP COSTS

The camp fees individuals, families and churches pay help provide for daily room and board for campers and volunteer staff. The fees also help with program material and equipment costs. For some events, transportation must be provided, as well as fees paid to adventure, sports & other contractors.

Except for a limited number of campsite staff and students on Summer Program Staff, our events are generously staffed by an army of Christian volunteers. These volunteers - deans, counselors and special program resource people - make our summer program possible. Our prices are at or below the average for similar camp programs, and we do everything possible to keep costs down.

JUMONVILLE KIDZ2KAMP CAMPERSHIP PROGRAM

A limited number of camperships are available through Jumonville’s Kidz2Kamp Program. These camperships are to help campers who could not otherwise afford to go to camp. Campership requests should be made early, as funds are limited and will be awarded on a first-come-first-served basis.

Download a pdf copy of our Financial Aid brochure or complete an online form for Financial Aid at jumonville.org/fin.aid.sc.html

UNIVERSITY OF METHODIST CHURCH OR OTHER CAMPERSHIPS

We are also indebted to local United Methodists for giving mission dollars through their churches to the Annual Conference Mission Share program. These funds help pay the Summer Cabin Counselors. Also, many individuals make second-mile special gifts to the camps through the Advance Specials. These gifts have made it possible to reduce the price of the Counselor In Training events, increase training opportunities for volunteers, and improve the stipend for Summer Cabin Counselors. THANK YOU!

The following two offers are only valid for Jumonville Summer Camp program events that have an event number. If the event number on the chart on pages 7-8 is listed as N/A, these two programs do not qualify.

FAMILY CAMPERSHIPS

Jumonville will provide $100 camperships (shorter events pro-rated) available for families sending more than one child to camp on a first-come, first-served basis. (Family Discounts are already included in the prices of C.A.T. Camp and Mommy, Daddy & Me events.) The camperships are available to the second or more campers, who are siblings of the same household. Full-week campers will count as first camper. Application for the family campership can be made online or by downloading a pdf file from the website, completing it and mailing it to Jumonville.

RECRUIT A FRIEND!

Here is another way to save. Recruit another camper who has never been to summer camp at Jumonville (or hasn’t been back in three years or longer) and both you and your friend get a FREE photo DVD (worth $10). For every additional friend that you recruit, you get a $10 gift certificate for the camp store and they get a photo DVD. You wanted to come to camp with your friends anyhow, didn’t you?

Download the printable form from: jumonville.org/sc.friend.html, or complete an online form. You may also call the Jumonville office at 800-463-7688 and we’ll mail or fax you one. Completed forms must be sent at least 2 weeks prior to the start of the first event that anyone in your group is scheduled to attend.
