### HOW THE PRICING WORKS

Each teen pays you, the church, \$320.00. That's their only cost and includes:  
Room & board, camp t-shirt and all activity fees.

**You need to register at least 7 teens to qualify as a group. That automatically gets you one FREE adult registration.** For every 20 additional teens you bring, you get another FREE adult registration.

Each adult pays you, the church, \$164.00. We suggest that you plan to bring one adult for every 5 to 10 campers. Please bring adults that help match the gender of your group for purposes of supervision in the lodges.
