

2021: JUNE 28 - JULY 2

Jesus Adventure Camp (JAC) 2021 is going to be AWESOME! It is our 20th year of JAC in 2021. We are planning an amazing week of camp. We will have many great speakers this year, including last year's speakers Rod & Jill Windham and several others from years past.

JAC will be an encounter with God that will be life changing. You will laugh, be challenged and have your heart touched by God during this week. Come expecting and watch God do great things in your life. You are not going to want to miss it!

Finishline Ministry and JUmonville are back partnering together to bring an awesome week that is guaranteed to bring life change. This is the place where daily adventure encounters the CROSS of Jesus = THE JESUS ADVENTURE.

This packet includes a checklist to help get you organized, a group reservation form, financial details, a parent info sheet, and JAC registration forms for campers and adults. After Jumonville receives the group reservation information, you will receive a packet with the rest of the info necessary to plan this amazing event!!

We even developed our own JAC Camp website (www.jac-camp.com) where you can get all the latest details and download the form and information you need to help you and your group have an awesome Christ inspired week on the Jumonville mountaintop. If you have never been to Jumonville check out their website at www.jumonville.org.

Reservations are on a first come first served basis, so get your reservations form in quickly. If there is anything we can do to answer any questions, please contact Jumonville by calling (800) 463-7688 or by sending an email to info@jumoville.org.

See you in June!

Let's Live the Jesus Adventure...

Larry

A handwritten signature in black ink, appearing to read 'Larry', is written below the printed name.
